

DEREK PITTAK

DEREK IS AN EXPERT IN STRATEGY AND EXECUTION

Derek Pittak helps entrepreneurial companies cut through the chaos and turn vision into something their people can actually execute.

Derek has given talks and workshops for the American Staffing Association (ASA), Affiliated Staffing Group, Visus Group, Manufacturing Business Association (MBA), Ohio Staffing & Search Association, The Reserves Network, and Luttrell Staffing Group.

> *We initially chose Derek because he was local, but quickly realized we'd found one of the best EOS Implementers out there. He coached our team all the way to full implementation, with a valuable focus on keeping things simple and getting the right people in the right seats. We valued his judgment so much that we later invited him to join our advisory board.*
