

PROFESSIONAL EOS IMPLEMENTER®

KURT MCALLISTER

KURT IS AN EXPERT IN TRUST AND ACCOUNTABILITY

Kurt helps leadership teams build high-trust, high-accountability organizations that execute on their aligned vision with clarity and discipline.

> *Kurt is great. He's smart, he listens, and he guides us through difficult conversations without ever pushing his own opinion. I feel very comfortable being honest and open in the environment he creates.*
>
> ***- Nicola Dent, CEO, Optical Filters***

> *Kurt keeps us from simply talking about issues and pushes us to solve them, own them, and learn the root cause.*
>
> ***- Margie Orth, Franchisee, Home Instead***

Kurt's Topics:

- **The Trust-First Accountability System:** How to hold people to high standards without killing culture.
- **The Ceiling Breakthrough:** Diagnose what's holding your company back and fix it fast.
- **The Annual Reset:** Build a plan your team will actually execute.
- **Self-Implementing Without the Struggle:** How to run EOS the right way.
